B

INTERESTS

- Street workout
- Programming

A hardworking and innovative student looking for a summer job from electronics industry to receive experience and widen my knowledge about designing circuits and products. Interested in programming with Python and learning a thing or two everyday. Made Minesweeper game with Python for coding course. Always ready for new challenges to take on.

WORK EXPERIENCE

Construction worker

Jan 2021 - Aug 2021

NJC OY, Oulu

Working on construction sites taught me universal skills such as working in a team and interacting with people with different backgrounds.

Construction worker

May 2020 - Jul 2020

Värväämä OY, Oulu
